

This detailed map of the Schwarzwald region shows a variety of geographical features and settlements. Key locations include Brühlwald, Hinterwald, Rottwald, and many smaller villages and hamlets. The map is characterized by its intricate network of roads, rivers, and forested areas. A legend in the bottom left corner identifies different types of forests, and a scale bar is provided for reference. The map is a high-resolution, detailed representation of the Schwarzwald region, showing a wide range of geographical features and settlements.
